

CE Standards/BS EN Standards

Goldwing Cable Limited confirms that where applicable, the cables that we supply comply with the relevant CE Standard and are marked accordingly.

All cables supplied, where applicable, comply with the new Standard BS EN 50525 (18 parts) and the revised versions of Standards BS 6004 & BS 7211.

On request we are able to provide Certificates of Conformity and Test Certificates. CE Technical files can be requested from our suppliers if required.

We trust that this information is to your satisfaction and if I can be of any further assistance please do not hesitate to contact me.
