

Conflict Minerals Statement

The Dodd-Frank Wall Street Reform and Consumer Protection Act section 1502(b) (Dodd-Frank Act) includes regulations for so-called Conflict Minerals.

This Legislation affects businesses using tantalum, tin, tungsten or gold in their products, or in the production of their products, that have originated in the Democratic Republic of the Congo (DRC) or neighbouring countries, known as the Conflict Region.

Goldwing Cable Limited are not manufacturers and therefore do not directly purchase any such raw materials.

As a company we do not knowingly purchase product(s) that contain minerals sourced from the Conflict Region and furthermore we expect our suppliers to source their raw materials from responsible sources.

On behalf of Goldwing Cable,

A handwritten signature in black ink, appearing to read "P Gant".

P Gant
